Dear Parents

## Re: Term Dates

I write to inform you of the plans regarding the progress of the first term.

Government has announced that physical opening for lessons be staggered with exam classes commencing attendance on **Monday the 15<sup>th</sup> March**. The rest of school is then to follow in the week beginning the **22<sup>nd</sup> of March**. Our exam classes comprise **Grade Sevens, Checkpoint Two, IGCSE Four, AS and A Level** classes.

Our current first term will run till the **Tuesday the 30<sup>th</sup> of March** after which we will take a break. Physical School will end with Assembly that will be at 1100hrs. Virtual classes remain open and students may catch up on work posted and receive assistance from tutors in the manner we have done especially for those with intending to sit for the May/June exams.

Please ensure Covid-19 protocol is still observed as described in the Standard Operating Procedures document accompanying this letter. The school has ensured a sanitised facility as stipulated.

Term dates for the Second and Third Term will be confirmed in due course.

We remain perpetually grateful for your unwavering support and look forward to continued progression among our learners. We remain stronger together!

Regards
